

Owl Cleaning Services

Case Study

Wenzel's

COMPANY DETAILS

Wenzel's was established in 1975 and has since become a favourite brand of locals in the north west London area.

THE CHALLENGE

Wenzel's is a fast growing bakery chain with more than 50 shops. The company prides itself on outstanding customer service. The cleanliness of the shops is part of this experience, so Wenzel's needed a cleaning company that could maintain consistently high standards.

THE SOLUTION

Wenzel's selected Owl Cleaning because of their flexibility and high-quality work.

Owl now cleans more than 50 of Wenzel's shops outside business hours in order to minimise the impact on staff and customers. Owl's cleaners carry out a deep clean of every new shop to ensure they look flawless when they launch. They also clean the Head Office building.

THE RESULT

"We would absolutely recommend Owl to businesses and home owners. Their service is above and beyond what we would expect for anybody looking for a company that is reliable, trust worthy and flexible - Owl Cleaning is the one!" says Attila Juhasz, Wenzel's Operations Manager.
